## **Oh What A Couple of Weeks!**

Wow...what a couple of busy weeks! Middle level students have been team-building at the EdGE, grades 1 & 2 went to the Ellsworth Tennis Center, and 5th - 8th grade went on a Gold & Silver reward trip to see the Portland Sea Dogs. Finally, all of our students braved the heat in our annual walk-a-thon! Is anyone tired??

## **School Emergency Drills**

This week our school participated in a lock down drill with local law enforcement in attendance. This type of drill allows extra practice for our students, helps our students to develop relationships with our law enforcement friends, and gives our local emergency responders an opportunity to become more familiar with our facility. This drill went very smoothly and quickly. We are very proud of our students' performance during this important event!

## **Important Reminder**

As the weather turns warmer, please remember our school dress code. Students should not be wearing one-shoulder strap shirts, low-cut tops, spaghetti straps, halters, midriff tops or muscle shirts. Shorts should come to mid-thigh. Use the fingertip rule to make sure that your child's shorts or skirts are at least as long as a student's fingertips when standing with their arms loosely at their sides.
